

Owners Horsebox / Caravan Park

This is strictly reserved for registered owners

We are delighted to offer one pitch per registered owner to site *either* a caravan, motorhome, tent, horsebox or RV, all vehicles must be self-driven. We are unable to accommodate static or fifth-wheel vehicles in this camping area.

If multiple family members are listed as registered owners of a horse, we kindly ask that you limit the number of camping spaces requested and would only expect to offer one site to married couples, partners, etc.

This year, all owners wishing to camp must complete the [Campsite Application Form](#). I am afraid a space will not be reserved unless this method is used.

There is no charge for the pitch, but fees for hook-ups are listed on the form.

I am afraid if a horse is withdrawn before the Event commences, site(s) associated with that horse will have to be relinquished and, if applicable, the hook-up fee(s) will be refunded.

Please note that we are unable to accommodate other family members or friend's caravans, horse boxes, etc. If further pitches are required, please contact the Box Office for further details on availability in the Public Campsite. Em: boxoffice@badminton-horse.co.uk. Tel: 01454 218375.

If you have any queries, please contact Alex Harbottle on 01454 218272 Em: alex.harbottle@badminton-horse.co.uk. Closing date for applications is **Friday 24th April** and will be strictly adhered to.
